21—1 Timothy 6:11-16

28—1 Timothy 6:17-21

Special Guest Speaker

July 14, 2013

Dr. Jonathan Sarfati is a world renowned speaker and proponent of creationism. Speaking on behalf of Creation

Ministries International, Dr. Sarfati will be at FBCW during both the Sunday school hour (9:30 am) and the worship service (10:45 am). The Sunday school time will be a message regarding the Bible and dinosaurs and will be open to all individuals elementary age and older. The worship service message is entitled "Design, Deluge & Dilemma".

Have you wondered why your witnessing falls flat and people fail to respond? Many comment that science has disproved the Bible and therefore it is not relevant to today's

modern world. But what's the answer? Can the majority of scientists really be wrong?

Most folk, particularly children (yes, even Christian kids) believe that dinosaurs lived millions of years ago. This often leads them to refuting the Bible's account of the history of the Earth and the book of Genesis. But, did you know that dinosaurs are mentioned in the Bible?

Many reject God on the basis that he must be a cruel god to allow the terrible events and suffering that we see in the world today. Could you

answer this? Find out how you can use this question, and more, as a powerful tool to reach others for Christ. Remember to bring a friend when you hear Dr. Jonathan Sarfati giving one of his dynamic messages at 10:45am on Sunday July 14, 2013.

Phase 2: Basic Training (Sunday School) - Sunday's @ 9:30

Sunday School Contact Competition Update

The new members have been added to everyone's ministry rosters. Please take note to the new names. The list of addresses has also been updated with the new members names and addresses. If your class needs post cards or postage please see Earl Rice or Kathy Truax and they will see that you are supplied with these.

The Adult 2 Class won the second Contact Competition as well as the first one, and they as a group wanted to pass the "win" on to the next class to enjoy the reward. Adult 4

Class was the recipient and they enjoyed breakfast before Sunday school on June 30th.

We do hope that everyone continues to contact our missing members. This is not just important to the health and fellowship of our church, but to them as well. They need to be in church here or somewhere to be growing in the knowledge of Jesus Christ. Maybe with summer upon us we can reach more of our members and get them interested in returning to Jesus.

If you have corrections or changes with any of your contact information

please get that to the office so the membership program can stay up to date with the correct addresses and phone numbers.

Remember the names on your roster are not only to contact them but to keep them as a matter of prayer. Also try to contact those that were added near the beginning of the competition. Thanks again for all the participation in this competition to get in touch with those who aren't!

If you have any questions please direct them to Earl Rice, Kathy or Mark Truax.

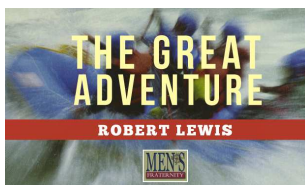

Newsletter Articles

This section of the newsletter is for information on Sunday school events and updates. If you as a teacher or class ministry leader would like to add something to this section please have it turned in to the office by the 20th of each month.

Phase 3: Specialized Training - Sunday's @ 6:00 (normally)

The Great Adventure

A Study for Men

Begins July 21

The Great Adventure explores a man and his world beyond the everyday. The 20-session study puts the roof on the house of masculinity and creates a vision for a man's future and destiny. This study will help men rediscover the adventure in life through a greater understanding of who they are. Men will uncover the

uniqueness they have as a man and discover a satisfying life focus. It will challenge men to consider several important questions they continually are asking: "What am I?" "What are my life dreams?" "Do I have courage to pursue those dreams?"

Sign Up For These Studies By July 1, 2013

VBS

Update!

VBS 2013 sure was a "roller coaster ride"! We had fun learning not to be fearful! Soon those who visit on Wednesdays will be going out and visiting those who joined us that week.

We had an enrollment of 128 and an average attendance for the week of 83. Praise the Lord for those who helped!
